

ENGINEERING & CONSTRUCTION RISK INSTITUTE

Document number: ECRI-EP-005 (DESC)	Cyber Security	Page 1 of 1
Issued: 20 November 2013		

Purpose:

This paper outlines basic cyber security issues and notes measures for addressing them.

Introduction:

This paper draws substantially upon the presentation by Tom Roell, Group Executive, Parsons, entitled “Cybersecurity – An Emergent Area of Risk,” which he delivered at the ECRI Sponsors’ Meeting in Cape Town 5 December 2012.

ECRI Description file – The complete version of this document is located in the Sponsors Resources area of this website and requires a Sponsors Login to access.
