

ENGINEERING & CONSTRUCTION RISK INSTITUTE

Document number: ECRI-JV-003 (DESC)	Joint Venture Formation Issues	Page: 1 of 2
Revised: 1 September 2009		

Purpose: This document provides a list of issues that need to be considered when the gap analysis determines that the best capture and/or execution plan for a prospective business opportunity requires the capability of another company.

Application: The document applies to joint venture formation in general. Refer to ECRI-JV-001 for its application to the entire joint venture execution cycle.

ECRI Description file – The complete version if this document is located in the Sponsors Resources area of this website and requires a Sponsors Login to access.
