

# ENGINEERING & CONSTRUCTION RISK INSTITUTE

Document number: <b>ECRI-RF-004 (DESC)</b>	<b>Contractor/Owner Division of Risks and Insurance</b>	Page: 1 of 9
Revised: 1 September 2009		

**Purpose:** The purpose of this document is to supplement the major insurances with a discussion of other insurances potentially required in the execution of an E&C contract and which party, the owner, contractor or both, should provide these insurances.

**Introduction:** The insurances listed below are in addition to those listed in ECRI-RF-001 and include:

- Contractor's equipment
- Worker's compensation and employer's liability
- Crime and embezzlement
- Auto liability for contractor and owner
- Fiduciary insurance
- Directors' and officers' insurance
- Marine liability
- Hull
- Cargo and other transit
- Extended liability for defects and other warranty work

**Application:** The document is written as an extended check list of potential insurances to be in place associated with a specific Engineering & Construction contract.
